

Letter of Recommendation

8/20/24

To whom it may concern

It is my great pleasure and honor to recommend Colton Clearman for your recruiting program. I have known Colton for the past 3 years as his Head Baseball Coach and teacher at Sprayberry High School.

As a student and athlete for me Colton has demonstrated knowledge, leadership, and has fantastic communication skills. Colton's knowledge of the game is phenomenal. Colton is highly intelligent and is determined to be the best in everything he does. He is extremely driven. Colton possesses many tools that allow him to be successful on the baseball field. Colton hits with power, he runs extremely well, and has a strong arm in the infield. I have had this young man in my weight room the past couple of years, he is one of the strongest players on the team. He has been that since his sophomore year. Colton is definitely a leader by example, players watch what he does and they follow him.

On a personal level, I have been fortunate to know Colton for the past three years. He is an outgoing young man that is not afraid to know his teachers or his coaches. I consider myself very lucky to know him on, and more importantly off the field. This is a very special young man that would be an asset to your program.

I recommend Colton Clearman because I assure you that he is not only an exceptional and outstanding athlete, but an exceptional and outstanding young man.

Sincerely,

James R. Tejcek
